a) Police Update - attended by PC A Scarisbrick

PC Scarisbrick informed the meeting that there had been two incidents of anti-social behaviour on the Memorial park but there had been no incidents reported on the Bush lane playing fields. In addition, the road traffic officers were looking into a number of reported incidents of speeding on Kirkham road.

He also reported that PCSO Danny Porter will be leaving Freckleton, on 12th February 2007, to take up duties elsewhere and there will be two new PCSOs to cover Warton and Freckleton. He stated that Inspector Darwin sends his apologies and he will attend the next meeting.

The Chairman asked why there were so many broken bottles and beer cans found in the park when Freckleton is supposed to be an alcohol-free zone. PC Scarisbrick stated that they relied on the public reporting these incidents and there had been no calls on the night that the youths had congregated.

The Chairman also asked what action was being taken to stop the car being driven onto the football pitch and dogs fouling the pitch. Again, PC Scarisbrick indicated that he had not received any calls from the public about these incidents. He indicated that the Police would monitor the situation. County Councillor Whittle indicated that the Fylde Borough, Environment department should be notified about incidents of dog fouling.

Councillor Mrs. Willis suggested that the Police/dog wardens should target the Bush lane playing fields in the afternoons because she regularly sees dog owners allowing their dogs to run freely on the playing fields at this time of the day.

The Clerk reported that Jamie Dixon, FBC Environment department, had reported back, on the request to consider a dog banning order for the playing fields. He had indicated that he was progressing the matter with the legal department, but it would be a requirement of the Order to provide an alternative site for dogs to be exercised. His team had identified an area on the Bush lane playing fields and this would have to be fenced off. He had received one quote of £6,000 for fencing this area and this cost would have to be stood by the Parish Council.

It was agreed that the Open Spaces committee should consider alternative sites for dogs to be exercised.

Councillor Mrs. Delany enquired what action was being taken to stop the school buses from speeding on Kirkham road. PC Scarisbrick stated the Traffic patrol was monitoring the situation. Councillor Fiddler suggested that the speed limit should be reduced to 20mph in the area of the junction with Strike lane.

It was agreed that the Clerk should write to the LCC. In addition, it was agreed that the Clerk should write to the Walton's transport service to ask if their drivers would take extra care when going down Kirkham road.

b) Public participation

- 1. Eric Cross informed the meeting that there were no instructions on how to use the dog bins situated on the grass verge in the Memory Close. Consequently, there was a large volume of dog dirt on the grass verges and pavements.
- 2. A member of the public complained that FBC were not emptying the grey bin of an elderly man, at number 113, Lytham road, because he could not bring his bin to the

Page No. 0578 Initialled

- pavement. Councillors L Rigby and T Threlfall agreed to progress this with FBC.
- 3. Peter Armitage enquired when the fence, at the Lamaleach bridge, would be repaired and the remaining hedges cut on Naze Lane. Councillor Whittle stated that the work on the bridge had been scheduled within the LCC workload. He agreed to progress this. He also stated that the Clerk and Councillor Mrs. Willis have been trying to assist the LCC in identifying the owner of the land adjacent to the uncut hedges. It was agreed that the hedges should be cut by the Parish Council contractor.
- 4. A member of the public enquired if "No Football" notices could be displayed on the lampposts in The Mede, as children are playing in the street and a serious accident may occur. Councillor Whittle agreed to progress.

The Clerk reported that he had spoken to the LCC, Youth services, regarding a Broadband connection and they had suggested two alternatives:-

The prioritised "wish" list was also considered.

It was agreed that a decision should not be made on the Broadband connection or on the "wish" list until the Youth centre has decided where they will be meeting.
