**Minutes of the Fabrics Committee Meeting held on Monday 25<sup>th</sup> October 2010**

**Present:** Councillor L Rigby (Chairman)

Councillors Mrs. M Dowling, Mrs. M Foster, Mrs. S Delany, St. J Greenhough and C Robb.

And five representatives from the Rawstorne centre.

**1) Apologies.**

Councillors P Quinn (another meeting).

It was resolved that the reason for absence should be accepted

**2) Declaration of Interest.**

All members present declared an interest in the Rawstorne Centre.

**3) To consider what support can be given to the Rawstorne Centre**

The representatives from the Rawstorne Centre indicated that they could cope financially for another 12 months, but some action was required to improve the financial situation. They felt that the bar takings were supporting the running of the club and more functions should be held.

They indicated that it would not be a good idea to raise the subscription for members, as this would discourage new and existing members from using the Centre.

It was suggested that the insurance for all the Organisations should be negotiated jointly in order to make savings. The Clerk agreed to make enquiries.

It was resolved that no action should be taken at the moment and the Rawstorne centre representatives would report back in 6 months.

**There being no further business the Chairman closed the meeting.**

**Signed.....C. Robb, Chairman.....**
