

WE Running

We are pleased to announce the villages of Freckleton and Warton now have an official England Athletics affiliated running club.

From humble beginnings of the club chairman going from his own Couch to running the original Freckleton Half marathon in just 6 months.

Michael then qualified as an England Athletics coach and launched his first c25k in July 2017 with the support of Bactive Warton.

Since then the group grew naturally into lots of like-minded villagers meeting every week and running for fun, culminating in the club now being recognised by England Athletics as an official affiliated club.

With no pressure to compete just a team of great friendly people with you every step of the way, whether it's your 1st step or 10000th we are happy to share the journey with you
